

# Snowballs

## Materials:

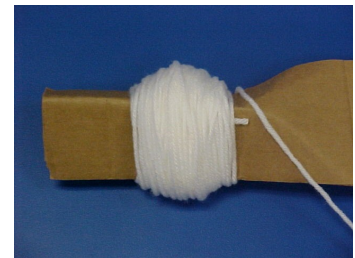

- skein of white yarn
- piece of cardboard about 4"by6"
- scissors

---

## Directions:

1. Gently bend the cardboard (the 4" side) just a little. This will allow the yarn to slip off easily. Wrap the yarn around the cardboard for about 100 wraps. Cut it off the skein.

2. Slip the yarn off the cardboard and tie a piece of yarn **tightly** around the middle of the whole rolled piece. The tighter you make it, the better.

3. Cut all the loops of the ball. Fluff it up. Try it out.

4. Clean up your mess!
